It's time for our weekly roundtable series about a topic that affects millions of people every single day. Today, Robert Rodriguez asks us: How the heck do you have sex in a Star Wars universe?.. I do this very simple, non-scientific thing and look at the universe, and sometimes you don't even have the answers.. Here are some things to keep in mind: We've got an amazing cast. You've got J.J. Abrams, who's not about to disappoint and we have, of course, Harrison Ford. Abrams).
